NATTHANAT CHUAYRIANG

SOFTWARE DEVELOPER

+66 64 496 6804 | natthanataa@gmail.com
korn-natthanat.vercel.app | github.com/PotterWinter

BASED IN BANGKOK

PROFILE

Architecture graduate who moved into software through design work and a full-stack bootcamp, then spent over a year as a Java developer on core banking systems. Now focusing on DevSecOps and CI/CD security.

EDUCATION

TECH UP

Full Stack Developer Bootcamp
Sep 2024 - Jan 2025 (5 Months)

KING MONGKUT'S INSTITUTE OF TECHNOLOGY LADKRABANG

Bachelor's degree, Industrial and Product Design
Jan 2018 - Jan 2022 (4 Years)
GPA: 3.01

INTERESTS

MASTER'S DEGREE FOCUS

• DevSecOps & CI/CD Security: How build and deployment pipelines get misconfigured, and how to catch and fix it before it reaches production.
• AI-Assisted Software Engineering: Using LLMs to repair code and configuration, and verifying that the fix doesn't break what already works.

LANGUAGE
• Thai (native), English (TOEIC 550)

PROGRAMMING
• Java, SQL, TypeScript, JavaScript, HTML, CSS

FRAMEWORKS
• Spring Boot, Angular, Next.js, React, Tailwind CSS

DATABASES
• MySQL, PostgreSQL

TOOLS
• Git, Docker, Postman, Jaspersoft, Figma

WORK

SILVERLAKE STRUCTURE SERVICES

Java Developer Apr 2025 - Jul 2026 (1 Year 3 Months)

Banking Reporting & Modernization VIN Team (1 Year)

• System Modernization: Worked on data migration by mapping database structures and developing Jaspersoft/SQL reports.
• Full-Stack: Built features across an Angular front end and Java Spring Boot microservices, including API integration and parameter views.

Core Banking Module & Environment Management Mobius Team (3 Months)

• Core Banking Configuration & Support: Maintained system parameters for core banking modules and investigated production issues through database queries and root cause analysis with the Malaysian team.
• Builds & Environments: Ran builds through Jenkins from GitLab across multiple environments, tracking which configuration and data source each one connected to.

FREELANCE

Brand Designer Aug 2023 - Feb 2024 (6 Months)

• Designed brand identities for four clients across sport, bedding, grooming and construction, including a family of marks for a house builder's real estate, construction and furniture arms.
